PANCHAYAT SAMITI OFFICE: DEOGAON

(FORM F-2)

PERCENTAGE RATE TENDER AND CONTRACT FOR WORKS*General Rules and Direction for the guidance of Contractors.*

1. All works proposed for execution by contract will be notified in a form of invitation to tender pasted on a board hung up in the Office of and signed by the Block Development Officer, Deogaon.

This notice will state the work to be carried out. The items and approximate quantities there of as well as the date of submitting and opening of tenders also the amount of earnest money to be deposited and the amount of the security deposit to be deposited by the successful tenderer and the parentage if any, to be deducted from bills. Copies of the specification, designs, drawings and any other documents required in connection with the submission of tender signed for the purpose of identification by the Block Development Officer shall also be open for inspection by the contractor at the office of the Block Development Officer during the office hours.

2. In the event of the tender being submitted by a firm it must be signed separately by each member thereof, or in the event of the absence of any partner, it must be signed on his behalf by a person holding a power of attorney authorizing him to do so.
3. Receipts for payments made on account of work, when executed by a firm must also be signed by the several partners, except where the contractor are described in their tender as a firm in which case the receipts must be signed in the name of the firm by one of the partners, or by some other person having authority to give effectual receipts for the firm.
4. The memorandum of work tendered for and the memorandum of materials to be supplied by the Block Development Officer, Deogaon and their issue rates shall be filled in and completed in the office of the Block Development Officer before the tender form is issued. If a form is issued to an intending tender without having been so filled in and completed, he shall request the office to have this done before he completed and delivers his tender.

The amount of earnest money to be deposited will be percent of the tendered amount.

5. Any persons who submit a tender shall fill-up the usual printed form starting at what rate he is willing to undertake each item of the work. Incomplete tender and tenders which propose any alteration in the work specified in the said form of invitation to tender or which contain any other conditions of any sort or omit to note the time within which the work can be finished or which are not accompanied by a Treasury Challan for the required earnest money will be liable to rejection. No single tender shall include more than one work, but contractor who wish to tender for two or more works shall submit a separate tenders for each. Tender shall be the name of the work to which they refer written outside the envelope case deposits for earnest money herein before mentioned shall be made in Govt. Treasuries and the Challan thereof should be enclosed with the tender.
6. The Engineer of his duly authority assist will open the tenders in the presence of any intending contractors who may be present at the time and will enter the amounts of the several tenders in a comparative statements in a suitable form. In event of a tender being rejected the challan for the earnest money forwarded therewith be returned to the tender with a pay order for the amount of the earnest money.
7. The Engineer shall have right to rejecting all or any of the tenders.
8. In the event of a tender being selected for acceptance, the Engineer who opened the tenders will, if he is competent to accept the tender, inform the tenderer of the selected tender who shall thereupon sign copies of the specification and other documents mentioned in rules 1 and 4 for the purpose of identification and for

CONTRACTOR

Block Dev. Officer, Deogaon

his acceptance with the tender. The tenderer of the selected tender shall also deposit the required amount of the security money within the prescribed time. If the tenderer fails to deposit the required amounts of the security money within the prescribed time. If the tenderer fails to deposit the required amount of the security money within prescribed time, the engineer may reject the tender.

If the engineer is not competent to accept the tender himself, he will inform the tenderer of the tender which he decided to recommended for acceptance. Such tender shall thereupon sign forthwith copies of the required amount of the security money within the prescribe time. The tender with the specification and other documents signed by the tenderer with then be forwarded for acceptance to the Engineer who is competent to accept the same. If the said Engineer rejects the tender the security money deposited shall be refunded to the tenderer.

9. When a tender is selected for acceptance, the tenderer shall deposit the required amount of the security money in cash in the Treasury and shall forward the challan to the Block Development Officer. Government securities may be endorsed to the Block Development Officer in lieu of a cash deposit of the required amount of the security money. No tender shall be finally accepted until the required amount of the security money has been deposited.
10. The amount of security money to be deposited by the tenderer whose tender is selected for acceptance shall be 10 percent of the estimate value of the work and towards this amount the earnest money already deposited by him shall be credited. At least half of the security inclusive of the earnest money, shall be deposited by the tenderer within such time as may be notified to him in writing by the officer opening the tender, failing which tender shall be liable to rejection.

Any balance of the security money outstanding after completion of the contract with the tenderer may be made up by deduction of 5 percent of the amount of each payment to be made him under clause 7 of the conditions for work done under the contract.

11. When tender has been selected for acceptance and the required amount of the security money has been deposited, the Engineer shall scrutinize all pages of the form of Item, Rate, Tender and Contract for works to see that the form has been properly filled up and signed by the contractor and the signature witnessed. He shall then, if he is competent, shall send the form for signature of the acceptance to the officer competent to accept it.

CONTRACTOR

Block Dev. Officer, Deogaon

CONDITION OF CONTRACT*Compensation for delay*

Clause-1: All compensation or other sums of money payable by the contractor to Government under the terms of the contract may be deducted from, or paid by, the sale of sufficient part of his security deposit or from the interest arising there from, or from any sum which may be due or may become due to the contractor by Government or any account whatsoever and in the event of his security deposit being reduced by reason of any such deduction or sale as aforesaid, the contractor shall within 10 days thereafter make good in cash or Government securities endorsed as aforesaid any sum or sums which may have been deducted from or raised by sale of the security deposit or any part of thereof.

Clause-2: a) The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the written order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract, be carried on with all due diligence (time being deemed to be of essence of the contract on the part of the contractor) and the contractor shall pay, as compensation, an amount equal to half percent on the amount of the estimated cost, if the whole work as shown by the tender for everyday that work remains un-commenced, or unfinished after the proper dates.

The work should not be considered finished until such date as the Block Development Officer shall certify as the date on which the work is finished after necessary rectification of defects as pointed out by the Block Development Officer or his authorized agents, are fully complied with by the contractor to the Block Development Officer satisfaction.

And further, to ensure good progress during the execution of the work the contractor shall be bound in all cases in which the time allowed for any work exceeds one month; to complete one fourth of the whole of the work before one-fourth of the whole time allowed under the contract has elapsed, one half of the work, before one half of such time has elapsed and three fourth of such time has elapsed, in the events of the contractor failing to comply with the conditions, he shall be liable to pay as compensation an amount equal to one-third percent on the said estimated cost of the whole work for everyday that the due quantity of work remains incomplete. Provided always that the entire amount of compensation to be paid under the provisions of this clause shall not exceed 10 percent on the estimated cost of the work as shown in the tender.

Actions when whole security deposit is forfeited

Clause-2:b) If there are possibilities of exceeding him compensation amount as mentioned in clause (a) 10% of the estimated cost, or in any case in which under any clause or clauses of this contract, the contractor shall have rendered himself liable to pay compensation amounting to the whole of his security deposit in the hands of Government (Whether paid in one sum or deducted by installment) the Block Development Officer on behalf of the Governor of Odisha, shall have the power to adopt any of the following courses, as he may deem best suited to the interests of the Government.

a) "To rescind the contract (of which rescission notice in writing to the contractor under the hand of the Block Development Officer shall be conclusive evidence), and 20% of the value of left-over work will be realized the contractor as penalty" (Works Deptt. No. 10639, Dt. 27.05.2005)

b) To employ labour paid by the P.R Department and to supply materials to carry out the work, or any part of the work debiting the contractor with the

CONTRACTOR

[Signature]
Block Dev. Officer, Deogaon

cost of the labour and the price of the materials (of the amount of which cost and price certificate of the Block Development Officer shall be final and conclusive against the contractor) and crediting him with the value of the work done, in all respects in the same manner and at the same rates as if it had been carried out by the contractor under the terms of his contract; the certificate of the Block Development Officer as to the value of the work done shall be final and conclusive against the contractor.

c) To measure up the work of the contractor, and to take such part of the work of the contract as shall be unexecuted out of his hands and to give in to another contractor to complete, in which case any expenses which may be incurred in excess of the sum which should have been paid to the original contractor if the whole work had been executed by him (of the amount of which excess the certificate in writing of the Block Development Officer shall be final and conclusive) shall be borne and paid by the original contractor and may be deducted from any money due to him by the Government under the contract otherwise, or from his security deposit or the proceeds of sale thereof or a sufficient part thereof.

In the event of above courses being adopted by the Block Development Officer, the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials, or entered into any engagements, or made any advances on account of or with a view to, the execution of the work or the performance of the contract. And in case the contract shall not be entitled to recover or be paid any sum for any work there to for actually performed under this contract unless & until the Block Development Officer shall have certified in writing the performance of such work and the value payable in-respect thereof and he shall only be entitled to be paid the value so certified.

d) Security deposit of the contractor shall be refunded only one year after the date of completion of the work provided the final bill has been paid and defect, if any rectified.

Clause-3: In any case in which any of the powers, conferred upon the Block Development Officer by Clause-3 thereof, shall have become exercisable and the same shall not be exercised, the non-exercise thereof shall not constitute a waiver of any of the conditionsthereof and such powers shall notwithstanding be exercisable in the event of any future case of default by the contractor of which by any clause or clauses hereof he is declared liable to pay compensation amounting the whole of his security deposit, and the liability of the contractor for the past and future compensation shall remain unaffected. In the event of the Block Development Officer putting in force the powers vested in him under the preceding clauses he may, if he so desire, take possession of all or any tools, plant materials and stores, in or upon the works, or the site: thereof or belonging to the contractor, or procure by him and intended to be used for the execution of the work or any part thereof shall be final, otherwise the Block Development Officer may be notice in writing to the contractor or his clerk of the works, foreman or other authorized agent require him to remove such plants, materials or stores from the premises (within a time to be specified in such notice) ; and in the event of the contractor failing to comply with any such requisition, Block Development Officer as to the expense of any such removal and the amount of the proceeds and expenses of any such sale shall be final and conclusive against the contractor.

Clause-4: If the contractor shall desire in extension of time for completion of the work, on the ground of his having been unavoidably hindered in its

*Contractor remain liable
to pay compensation if
action not taken under
Clause-6*

*Power to take possession
of or require removal of
or sell contractors plants*

CONTRACTOR

Block Dev. Officer, Deogaon

Extension of time

execution or any other ground, he shall apply in writing: to the Block Development Officer within 30 days of the date of the hindrance on account of which he desires such extension as aforesaid and the Block Development Officer shall, if in his opinion (Which shall be final) reasonable grounds be shown thereof, authorize such extension of time, if any, as may in his opinion, be necessary or proper. The Block Development Officer shall at the same time inform the contractor whether he claims compensation for delay.

Final Certificate

Clause- 5: On completion of the work, the contractor shall be furnished with a certificate by the Block Development Officer (Herein after called the Junior Engineer) of such completed, but no such certificate be given nor shall the work be considered to be completed until the contractor shall have removed from the area of the premises to be distinctly marked by the Block Development officer in the site plan on which the work shall be executed, all scaffolding, surplus materials and rubbish and cleaned off the dirt from all wood work, doors, windows, floors or other parts of any building in, upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof nor until the work shall have been measured by the Officer of the Block Development Office in accordance with the rules of the department whose measurements shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clauses as to removal of scaffolding, surplus materials, rubbish & cleaning off dirt on or before the date fixed for the completion of works, the Junior Engineer may at the expense of the contractor remove such scaffolding, surplus materials and rubbish & dispose of the same as he thinks fit and clean off such dirt as aforesaid; and the contractor shall forth-with pay the amount of all expense incurred, and shall have no claim in respect of any such scaffolding or surplus materials as aforesaid, except for any sum actually realized by the sale thereof.

If in the opinion of Junior Engineer, which shall be final and binding on the contractor, occupation or utilization of a portion of the work completed in no way interferes with progress of the work the same may be occupied or utilized by on behalf of the Govt. under the written order of the Junior Engineer and to get the defects, if any rectified by the contractor at his (contractor) own cost within six months from the date of completion of the whole work provided that the contractor will not be allowed any concession either in the shape of extension of stipulated period or any other monetary compensation on account of such occupation or use.

Clause- 6: A bill shall be submitted by the contractor each month on or before the date fixed by the Junior Engineer for all works executed in the previous month, and the Junior Engineer or his sub-ordinate shall take the requisite measurement for the purpose of having the same verified and the claim as far as admissible, adjusted, if possible before the expiry of 10 days from the presentation of the bill. If he does not submit the bill within the time fixed as aforesaid the Junior Engineer or his Sub-ordinates shall measure up the said work in the presence of the contractor whose counter signature of the measurement list will be sufficient warrant, and the Junior Engineer or his Sub-ordinates shall prepare a bill from such list which shall be binding on the contractor in all respects.

Payments on intermediate certificate to be regarded as advance and bill to be submitted monthly.

Provided that, if any balance of the 10% security is outstanding from each such payment shall be deducted so much, not exceeding 5% as may be necessary to make up the balance of the security. All such intermediate payments to the contractor shall be regarded as payments by way of advance against the final payment only and not as payments for work actually done & completed, and shall not preclude the requiring of bad,

CONTRACTOR

Block Dev. Officer, Deogaon

unsound and imperfect or unskillful work to be removed and taken away and reconstructed or re-erected, or be considered as an admission of the due performance of the contract, or any part thereof in any respect, or the actual of any claim nor shall it conclude, determine, or effect in any way the powers of the Junior Engineer under these conditions or any of them as to the final settlement or adjustment of the accounts or otherwise or in any other way vary or affect the contract.

Clause- 7: The final bill shall be prepared by the offices of the Block Development Officer in accordance with the rule of the Deptt. in the presence of the contractor within 1 month of the date fixed for completion of the work.

Store supplied by the
Govt.

Clause- 8: If the specification of estimate of the work provides for the use of any special description of materials to be supplied from the Junior Engineer store, or it is required that the contractor shall use certain stores to be provided by the Junior Engineer under the conditions of this contract (Such materials & Stores, and the prices to be charged thereof as hereinafter mentioned being so far as practicable for the convenience of the contractor, but not so as in any way to control the meaning or effect of this contract are specified in the schedule or memorandum here to annexed), the contractor shall be supplied (with such materials and stores noted in the annexed schedule as are required from time to time to be used by him for purpose of the contract only and the value of the full quantity of materials and stores so supplied) at the rates specified in the said schedule may be set off or deducted from any sums then due or thereafter to become due to the contractor under the contract or otherwise or against or from the security deposit, or the proceeds of sale thereof, if the same is held in Govt. securities, the same or a sufficient portion thereof being in this case sold for the purpose. All materials supplied to the contractor shall remain the absolute property of Govt. and shall not on any account be removed from the site of the work, and shall at all times be opened to inspection by the Junior Engineer, Any such materials used and in any perfectly good condition as the time of the completion or determination of the contract shall be returned to the Junior Engineer store, at the prevailing market rate or at the issue rate whichever is less if by a notice in writing under his hand he shall so require; but the contractor shall not be entitled to return any such materials, unless with such consent, and shall have no claim for compensation on account of any such materials so supplied to him as aforesaid being unused by him, or for any wastage in or damage to any such materials.

Clause-9 (a): If a contractor removes any materials or stock so supplied to him from the site of the work in contravention of the provisions of this clause with a view to dispose of the same dishonestly, he shall, in addition to any other liability, civil or criminal, arising out of this contract be liable to pay a penalty equivalent to 5 times the price of the said materials of stock, according to the stipulated rate, the penalty so imposed shall be recoverable from any sum that may be then, or at any time thereafter may become due to the contractor, or at from his security deposit, or the proceeds of sale thereof.

b) Owing to difficulty in obtaining certain materials in the open market the Govt. have undertaken to supply materials specified in the schedule hereto annexed. There may be delay in obtaining materials by the Dept. and the contractor is therefore, required to keep himself in touch with the day-to-day position regarding the supply of materials from the Junior Engineer and to so adjust the progress of the work that their labour may not remain idle nor may there be any other claim due to or arising from delay in obtaining the materials. It should be clearly understood that no monetary claim whatsoever shall be entertained by the govt. on account on delay in supplying materials. However extension of time for completion of work can be granted

CONTRACTOR

Block Dev. Officer, Deogaon

on timely application by the contractor vide also clause 5.

Clause- 10: The contractor shall execute the whole and every part of the work in the most substantial and workman like manner and both as regards materials and otherwise in every respect in strict accordance with the specification.

Works to be executed in accordance with specification, drawing & order etc.

The contractor shall also conform exactly, fully and faithfully to the designs, drawings and instructions in writing relating to the works signed by the Junior Engineer and lodged in his office and to which the contractor shall be entitled to have access at such office, for the purpose of inspection during office hour and the contractor shall, if he so requires, be entitled at his own expenses to make or cause to be made copies of the specification and of all such designs, drawings and instructions as aforesaid.

Clause- 11: The Junior Engineer shall have power to make any alterations in or additions to the original specifications, drawings, designs and instructions that may appear to him necessary and advisable during in the progress of work, and the contractor shall be bound to carry out the work in accordance with any instructions which may be given to him in writing signed by Junior Engineer and such alteration shall not invalidate the contract and any additional work which the contractor may be directed to do in the manner above specified as part of the work shall be carried out by the contractor on of the same conditions in all respects on which he agreed to do the main work, and at the same rates as are specified in the tender for the main work. The time for the completion of the work shall be extended in the proportion that the additional work bears to the original contract work and the certificate of the Junior Engineer shall be conclusive as to such proportion. And if the additional work includes any class of work for which no rate is specified in this contract, then such class of work shall be carried out at the rates entered in the sanctioned schedule of rates of the locality during the period when the work is being carried on and if such rates of mentioned class of work is not entered in the schedule of rates of the district then the contractor shall within seven days of the date of his receipt of the order to carry out the work inform the junior Engineer of the rate which it is his intention to charges for such class of work, and if the Junior Engineer does not agree to this rate he shall by notice in writing be at liberty to cancel his order to carry out such class of work and arrange to carry it out in such manner as he may consider advisable.

Do not invalidate the contractors

Extension of time in consequence of alterations

Rates of work not in estimate or schedule of rate of the district

No deviations from the specification stipulated in the contract nor additional items of work shall ordinarily be carried out by the contractor, nor shall any altered, addl. Or substituted work be carried out by him unless the rates of the substituted, altered or addl. Items have been approved and fixed in writing by the Junior Engineer. The contractor shall be bound to submit his claim for any additional work done during any month on or before the 15th day of the following month accompanied by a copy of the order in writing of the Junior Engineer. For the additional work and that the contractor shall not be entitled to any payment in respect of such additional work if he fails to submit his claim within the aforesaid period.

Provided always that if the contractor shall commence work or incur any expenditure in regard thereof before the rates shall have been determined as lastly herein before mentioned, in such cases he shall only be entitled to be paid in respect of the work carried out or expenditure incurred by him prior to the date of the determination of the rates as aforesaid accordingly to such rate or rates as shall be fixed by the Junior Engineer. In the event of a dispute, the decision of the superintending Engineer of the circle will be final.

CONTRACTOR

Block Dev. Officer, Deogaon

No compensation for alteration in or restriction of work to be carried out.

Clause- 12: If at all time after the commencement of the work the Governor of Odisha shall for any reason whatsoever not require the whole thereof as specified in the tender to be carried out. The Junior Engineer shall give notice in writing of the fact to the contractor who shall have no claim to any payment or advantage, which he might have derive from the execution of the work in full but which he did not derive in consequence of the full amount of the work not having been carried out neither shall he have any claim for compensation by reason of any alteration having been made in the original specification, drawings, designs and instruction which shall involve any curtailment of the work as originally contemplated.

Action and compensation payable in case of bad work.

Clause- 13: If it shall appear to the Junior Engineer or his subordinate-in-charge of the work, that any work has been executed with un-sound, imperfect or unskillful workmanship or with materials of any inferior description, or that any materials or articles provided by him for the execution of the work are unsound or of a quality inferior to that contracted for or otherwise not in accordance with the contract, the contractor shall on demand in writing from the Junior Engineer specifying the work materials or article complained of notwithstanding that the same may have been inadvertently passed certified and paid for, forthwith rectify or remove and reconstruct the work so specified in whole or in part, as the case may require, or as the case may be remove the materials or article so specified and provide other proper and suitable materials or article at his own proper charge and cost and in the event of his failing to do so within a period to be specified by the Junior Engineer in his demand aforesaid, then the contractor shall be liable to pay compensation at the rate of one percent on the amount of the estimate for everyday not exceeding 10 days, while his failure to do so shall continue and in the case of any such failure the Junior Engineer may rectify or remove, and re-execute the work or remove and replace with others, the materials or articles complained of as the case may be at the risk and expense in all respect of the contractor.

Work to be open to inspection

Clause- 14: All work under or in course of execution or executed in pursuance of the contract shall at all times be open to the inspection and supervision of the Junior Engineer and his subordinates and the contractor shall at all times during the usual working hours, and at all other times at which reasonable notice of the Junior Engineer or his subordinate to visit the works shall have been given to the contractor either himself be present to receive orders and instruction or have a responsible agent duly accredited in writing to be present for that purpose. Order that given to the contractor's agent shall be considered to have the same force as if they had been given to the contractor himself.

Contractor or responsible agents to be present

Clause- 15: The contractor shall be given not less than five days' notice in writing to the Junior Engineer or his subordinate in charge of the work before covering up or otherwise placing beyond the reach of measurement any work in order that the same may be measured and correct dimensions thereof be taken before the same is so covered up or placed beyond the reach of measurement and any work without the consent in writing of the Junior Engineer or his subordinate-in-charge of the work and if any work shall be covered up or placed beyond the reach of measurement without such notice having been given or consent obtained, the same shall be uncovered at contractor's expense, or in default thereof payment or allowance shall be made for such work or the materials with which the same work executed.

Notice to be given before work is covered up.

Clause- 16: If the contractor or his work people, or servant shall break, deface, injure or destroy any part of a building, in which they may be working or any building, road, fence, enclosure, or grass land or cultivated ground continuous

SPECIAL CONDITION

1. It shall be the responsibility of the contractor to produce all the material required for the work including the procurement of steel, cement and bitumen etc. (to be approved by the Junior Engineer) from the market at his cost and complete the work within stipulated time of completion as per accepted agreement. At no stage difficulty or obstacle for procurement of material due to any reason whatsoever shall be entertained by the department nor any plea of extension of time or compensation claim to these effects shall be entertained in account of the above. The safe custody of the materials issued by the department or produce by the contractor will be sole responsibility of the contractor. For both departmental issue materials or any procurement of materials by the contractor all incidental expenses like transport, storage, handling, and any other expenditure shall borne by the contractor. The materials as per the Appendix-A, if available with the department may be supplied to the contractor at the description of the department at the place and rate noted against each. The contractor may satisfy himself about the quality, quantity of materials at the time of issue.
2. If required the empty cement bag and empty bitumen drums may be requisitioned by the department which the contractor is bound to comply for which the rate of relief will be Rs. _____ for empty cement bag and Rs. _____ for empty bitumen drums for good quality (to the satisfaction of the Block Development Officer, Deogaon).
3. **Deduction of the royalty**
 - (a) Earth/Sand/Moroum @ Rs. 35.00 per Cum
 - (b) Stone Products @ 130/- per Cum
4. If the tenderer backs out from the offer before acceptance of the tender by the competent authority his EMD will be forfeited.
5. Royalty will be reimbursed on production of valid money receipt by the contractor.
6. In the event of any particular item(S) work for which the contractor as quoted rate(S) which are grossly below the corresponding estimated rates (or C.S.R) for the particular item the difference between the amount corresponding estimated (or C.S.R) rate and this grossly under quoted rate for quantity of work to be executed by the contractor shall be kept withheld from the payment due to the contractor until such time as the execution of the said item(s) of work is/are completed in all respects by the contractor to the full satisfaction of the Junior Engineer.
7. **Additional performance security shall be deposited by the successful bidder when the bid amount is less than the estimated cost put to tender. In such an event, the bidder who have quoted less bid price/rates than the estimated cost put to tender shall have to furnish the exact amount of differential cost i.e. estimated cost put to tender minus the quoted amount as APS in shape of Demand Draft / Term Deposit Receipt pledged in favour of Development Officer, Deogaon by the successful bidder within seven days opening of the bid.**
8. **Provision of Incentive:** The incentive will be @ 1 % in case of completion of work ahead of one month (part of the month shall be excluded) and the maximum amount payable will be fixed at 2 %. If the work is completed two months ahead of the scheduled time, with the approval of next higher authority or tender accepting authority. For admissibility of incentive, minimum value of the work should be as follows.

Category of the work	Minimum Value
1. Building Work/ PH Work	Rs. 40.00 Lakhs
2. Road Work	Rs. 3.00 Crores
3. Irrigation Works	Rs. 10 .00 Crores
