1. FOUNDATION BACKGROUND & PHILOSOPHY

Odisha Adarsha Vidyalaya Sangathan (OAVS) is an ambitious flagship initiative launched by the Government of Odisha, dedicated to provisioning top-tier English-medium CBSE Education at the Secondary and Senior Secondary levels. The core organizational vision focuses explicitly on sharpening the academic depth of brilliant rural and semi-urban children who lack regular financial pathways to secure standard private English-medium schooling systems.

Historically conceptualized under the central 'Model Schools' platform to closely benchmark the premium operational milestones of Kendriya Vidyalayas, this system has been entirely integrated and self-driven by the State Government since the financial cycle of 2015-16. OAVS actively delivers a modern campus infrastructure model across all 314 blocks of Odisha, further anchored by the Iconic OAV campus based at Andharua, Bhubaneswar. Today, over 250 functional OAV senior secondary networks offer advanced Class XI Science tracks designed to establish next-generation technical pioneers.

OUR ACADEMIC VISION: To actively build a premium rural ecosystem of educational brilliance that transforms potential talents into modern scientific leaders.

OUR MISSION FRAMEWORK: To continuously enrich the analytical capabilities and ethical focus of senior students, making sure they graduate equipped with profound technical knowledge built upon core human values.

2. SCHOOL AT A GLANCE

OAV Chandrapur, Deogaon blends high-grade educational infrastructure with Co-curricular activities for maximum development of potential of a student.
