BACKGROUND & KEY FEATURES

Odisha Adarsha Vidyalaya Sangathan is a path-breaking initiative of the Govt. of Odisha to provide quality teaching in English medium at Secondary & Senior Secondary level for children especially in semi-urban or rural areas, and to give scope to rural talents who are unable to afford English medium education.

Subsequently, the scheme has been delinked from central assistance from the financial year 2015-16.

At present, 250 OAVs feature Class-XI (Science) and 35 OAVs feature Class-XI (Commerce). Odisha Adarsha Vidyalaya, Jharmunda, Loisingha, Balangir has the Science Stream, which has been operational since the academic session 2021-22.

Basically, Adarsha Vidyalayas possess infrastructure and facilities of the same standard as Kendriya Vidyalaya, with stipulations on pupil-teacher ratio, ICT usages, a holistic educational environment, an appropriate curriculum, and an emphasis on output and outcome.
